Five minutes away from The Yorkshire Radio Control Model Car Racing Club racetrack in West vale near Elland, Pinfold Guest House offers a warm welcome and comfortable accommodation. All of our eight guest rooms are en suite and equipped with Free View digital TV. We have a large, private car park to the rear of the building. There is a friendly pub offering evening meals a short walk from the guesthouse. For the last four years we have welcomed visitors who are competing at the racetrack and look forward to welcoming you too! Single rooms £32.00 per night, twin or double rooms £50.00per night – all prices are inclusive of breakfast and if you are leaving early we will happily pack up some bacon sandwiches for you to take away!

Hi Drivers.

What a very poor turnout at the A.G.M, where were you all? Its everyone's club after all and surely one night out to possibly help shape the future of what we do is not too much to ask, everybody moans at the track that something or other should be done a different way, here was your chance to make it official and try change things or at least make your feelings known. Obviously nothing needs changing as nobody had any points to make.

It appears that the committee remains more or less the same with the welcome addition of Karl Dransfield in the post of 1/8th scale rep, also Michael Ball has agreed to take on the role of overall 1/10th scale rep, both electric and IC.

Trophies were presented to the winners of the two summer series, pictures to follow, and unclaimed ones will be available for collection at the next club day.

The indoor winter series is under way with the second meeting taking place last weekend, the mardave class seems to be particularly well represented with quite a few of the IC drivers taking it up to keep them up to speed through the winter months. The racing is close with all the cars been the same chassis and motor meaning that the main difference is driver skill and battery choice.

The last outdoor club day was cancelled due to the horrendous weather, hopefully the next will have less rain.

Cheers for now Mark.

## 2009/10 Committee
